Program Title:

Confidence to Lead

Program Description:

At the most basic level, confidence is your belief in yourself and your abilities. It's not simply feeling good about yourself, but rather the belief that you can create a successful outcome through action. Everyone can be confident and this course will help to get you on the path or further along if you are already on it! In this course we will understand how to build confidence and show up as a confident leader in the workplace. In this course we'll cover:

- What is confidence, really?
- Confidence and women
- 10 ways to build confidence

Join us today to build confidence in yourself to become the successful, respected leader you are meant to be

Learning Objectives:

Upon successful completion of this course, you will be able to:

- Identify the requirement for having confidence as a leader.
- Recognize the confidence challenges specific to women.
- Apply the four actions you can take to create self-confidence at any moment.
- Describe the ten ways you can build your confidence and be a great role model and leader.
